A rare opportunity to own a piece of history in historic Dickeyville. This four-story rubblestone home is warm and inviting from the moment you enter. French doors lead you to the large living room featuring a gorgeous wood-burning fireplace and built-in shelves. Pass into the dining room and you will find another wood-burning fireplace and plenty of space for a large table. Just off the dining room is the well-equipped kitchen boasting a sublime SubZero refrigerator and stunning DCS gas range. Throughout the whole home, light pours in through the super tall, full length windows.

The second and third story floors hold a total of five bedrooms 2 full baths, and loads of storage with 13 closets. The highlight in the master bedroom is another wood-burning fireplace! Third floor rooms have a dramatic feel with their vaulted ceilings too. On the finished lower level, the huge family room features an enormous stone hearth fireplace perfect...
