Are you searching for a home that has everything? If so, look no further! This home is a true masterpiece and it has been beautifully custom built. Located in the Highly Desirable Winter Park, nestled in 1.25 acres of land and boasting over 200 feet of water frontage to the spectacular Lake Mizell, part of the Winter Park chain of Lakes, this home will take your breath away with every room that you enter. High quality finishes and elegant details run throughout this 6000 sq. ft. home making it clear to see why it was the Winner of the 2007 Parade of Homes. As you walk through the beautiful hard wood decorative door, you are greeted by a unique foyer with soaring ceilings and a beautiful staircase. The open floor plan of this home allows you to enjoy all the beautiful features that it has to offer, from the Brazilian Cherry Hardwood floors to the soffited ceilings to the extensive crown-molding. The French inspired kitchen, with hardwood ceiling...
