Privately blended into its lush surroundings, this beautiful Sante Fe style custom home is located on the 17th hole. The sun-kissed floor plan boasts a stunning great room flattered by walls of windows, 14 ft soaring ceilings, satillo tiled floors and a gorgeous stacked stone fireplace. The dining room offers an easy transition into the kitchen, with it's center island, new stainless steel appliances, and a large walk in pantry. Function meets design in the master suite, featuring private backyard access, beehive fireplace, dual vanities, clawfoot tub, walk in shower, and walk in closets. The guest wing provides 2 beds and 2 baths and a separate entrance - an ideal arrangement for visiting family or friends. Outdoor living area features mature landscaping and outstanding night lighting.
