An equestrian's dream ... 44+ acres with beautiful views in every direction, two exceptionally well appointed barns with a combined 83 stalls, one of the largest covered arenas (20,000 sqft) in the County, two very nice 3 bedroom/2 bath homes and two smaller 3 bedroom/2 bath employee homes, a massive 40,000 sqft open air arena, a full half mile race track and covered round pen are just part of what makes this turnkey equine facility a must see when looking for horse property on the Central Coast of California.

Crimson Farms strives to maintain a facility that will keep your horses not only healthy, but happy as well. The two large modern barns boast eighty-three box stalls, a fully equipped indoor breeding and stallion collection area, video monitoring system for foaling and a sophisticated breeding lab. To provide comfort and safety for the horses while they are being handled in the barns, all barn isles, walkways, breeding areas, vet areas, and farrie...
