Leave the stress of the workday and unwind upon entry to this remarkable remodel in North Central Phx. Rare to find the combination of size (2433 sq. ft. on a 1/3 acre lot w/pool), extensive upgrades throughout and priced below \$500K. Kitchen looks like it springs from the pages of Bon Appetit magazine with Stainless Steel appliances, Jenn-Air gas stove/oven, Caesarstone counters & much more. Stylish Brazilian cheery hardwood flooring adds richness and warmth to the entire home. The backyard is an entertainer's dream with large covered patio with video/audio, ceiling fans & bathroom easy accessible from the diving pool. If you are needing a home office/guest house, we have that as well in a detached structure that can be expanded if needed. Block walls and irrigation mean low utility bills.
