Three acres of natural landscape and beautiful creek frontage create a striking backdrop to this unique home in Deerfield Estates. The owners have renovated a 1986 house and expanded it by a third creating interiors that balance comfort and aesthetics. The back of the home is a palette of windows, bringing the outdoors in to your 19x25 kitchen - the heartbeat of the house with a 6'x 8' ft center island flanked by an upscale appliance package. Vaulted ceilings grace the downstairs including the master bedroom which also features, a brand new bathroom renovation.

In addition to the 2nd and 3rd bedroom upstairs, the home offers separate living quarters off the three car garage which includes a full bath, living room and large bedroom.

The owners are gardeners of course and have infused the natural beauty with a bounty of perennial plants and flowering trees complimenting the beauty of the water. Bring your small boat or kayak a...
