This unique and private ranch offers seclusion and epic views yet only a short distance to the highway and a quick drive to the nearest town with amenities. The red-rock walls and spheres tower skyward amid bountiful plant and wildlife. This ranch would make a perfect get-away or full-time residence as nearby power and favorable water-tables are in place for your "living investment". Regardless if your running cattle, riding horses or just simply want a place to get away from people, then the Chimney Rock Ranch is for you! This unique land has no comparisons and feels much like some of the most famous and well known topography in Sedona, AZ (for about half the cost).
