Wonderful, Single level Condominium in the Heart of Brentwood! Built in 1989, this lovely Front Facing condo has almost no common walls and is elevated up on the 2nd floor, above street level, in a small intimate 9 unit building. A bright, mostly West facing floor plan floods the home with sunshine and breezes. The living room is spacious, light and open with a balcony and fireplace. Both bedrooms are en-suite with great closet space and there is a separate powder room for guests. Low HOA dues, the best parking in the building, additional storage in the garage and moments from all of the fabulous restaurants, boutiques, shopping and coffee houses of Brentwood make this a very special spot!
