Amazing location close to all that Greenwood has to offer. Walkscore of 92! Relax in the large light filled Living Area with a sliding door out to your balcony from where you can enjoy mountain and territorial views. Updated in 2014, the kitchen boasts quartz counters, glass backsplashes and stainless appliances. The bathrooms were updated with new counters, fixtures and cabinets. Master bedroom has double closets and 3/4 bathroom. Current owner continued with more upgrades. Controlled access building. Building exterior and interior were painted in 2014/2015.
