Would you love to find a great home with a super great lot? This 3 bedroom 2 bath home may be the answer to that question! The living room offers a unique southwest fireplace and a slider to the covered patio. In the kitchen there are stainless steel appliances and a garden window in the dining area that looks out to the patio. The living area and kitchen offer beautiful window covering and tile and laminate flooring. The laundry room is adjacent to the kitchen and offers a washer and dryer and lots of additional storage. The bedrooms all have plantation shutters and luxurious carpet. The guest bath has been remodeled with a new vanity, mirror and fixtures. The Master suite offers a walk in closet with built-in storage and a remodeled bath with a step in shower that is tiled and frame-less glass surround. In the landscaped backyard you will find a covered patio offering a plumbed a gas fire place. To the north you will find additional cement for parking and to the south a super yard...
