Beautiful remodel in the gated golf community of Fairways at the Legacy. Almost everything has been redone! The kitchen is light and bright with gorgeous quartz countertops, white cabinets, backsplash, brand new stainless steel appliances, and pendant lighting. Luxurious baths have clean lines, new cabinets and quartz counter tops and new brushed nickel fixtures. This is a rare 4 bedroom model giving you plenty of space for office or den. Wood tile and 4 inch baseboards add to the modern and elegant character of the home. Beautiful paver stone extended patio creates another living space to enjoy the outdoors all year. New a/c unit in 2015. Well located close to hiking, restaurants, shopping, downtown and the airport.
