Immaculate single story home located in desirable Southeast Hemet. This charming 5 bedroom, 2 bath home has 2275 square feet and a lot size of over 1/4 acre. Mature shade trees, a covered front porch and drought resistant landscaping give the home great curb appeal. The open floor plan and large updated kitchen make this home great for families as well as entertaining. Having bedrooms on both sides of the home, it is a great layout for multi-generational living. Hard flooring throughout, gated RV parking and upgraded windows add to this home's appeal.
