336 Fillmore St. is an authentic rehabilitation of the original Queen Anne Victorian built in 1900 for the town physician, Dr. Jacob C. House. It was reconstructed in 2007 in order to recapture the flavor and feeling of the original interior while also gracefully bringing the home into this century and preserving the exterior Queen Anne style. It features 4,500 square feet of living space with water views of Port Townsend Bay and located in sought after uptown area.

As you enter the main level you will be swept into the grand scale of the living room with its eleven foot ceilings, and windows throughout with doors opening to a wraparound deck. To the right is a study/library with oak bookcases and a rumford fireplace and wet bar. The main living area is an open floor plan which includes the formal dining area, and leading into the breakfast room and kitchen. A completely custom kitchen is appointed with granite counters, custom m...
