Don't worry when rush hour returns. You'll be able to get home quickly because your condo is located close to multiple freeways and major streets. Up the stairs and through the front door, the natural daylight filters through the windows welcoming you home. You get in a quick workout at the community fitness center then freshen up in your bathroom that was recently updated and includes a frameless shower door and porcelain tiles. It's warm outside, so you turn on the portable A/C, and together with the slick ceiling fan in the bedroom, they cool your place. Although the stainless steel appliances are ready to help you whip up dinner, you consider going for a 5 minute drive to Santana Row, or a 12 minute drive to Downtown Campbell. Instead, you decide to use the BBQ area and have dinner and drinks on your balcony. After dinner, you take a short stroll past the koi pond and over to the pool/spa area to relax. Welcome home to 800 Teatree Court!
