Absolutely stunning 3 bed/3.5 bath/4294 Sq.ft gated home on 6.95 acres. Entering through the foyer into the great room is nothing short of picturesque - with high vaulted ceilings and floor to ceiling windows overlooking the valley and mountains and French doors leading out to a wraparound deck. The large river rock fireplace adds warmth to the room and also serves as a place to gather around and soak in those beautiful views. The kitchen boasts granite countertops and a large island providing lots of storage. Live large in the Master suite with a spacious walk-in closet, vanity with double sinks and a luxurious jetted tub. The lower level also has plenty of natural light, complete with a separate entrance and wood-burning stove. Outside is a fully fenced desert oasis, with mature landscaping, a gravel driveway and an expansive green lawn. The detached RV garage/workshop is just the cherry on top for this spotlessly clean and move-in ready home.
