With a white picket fence welcoming you inside, you will want to cozy up in the spacious living room featuring lots of natural lighting, hardwood floors, and a wood burning fireplace. The kitchen shares a wall with the living and dining rooms great for entertaining. The laundry is just off the kitchen so as to not disturb the rest of the house when in use. The office space and primary bedroom share the 3/4 bath, making a relatively autonomous sanctuary. Unfinished basement offers 350 square feet of potential. Out back features an 850 square foot garage, with its separate electrical service that could easily hold multiple vehicles, boats, lots of toys, or just a big cave for entertaining, as well as fully fenced backyard.

- 2,262 square feet finished main level
- 356 square feet unfinished basement
- 3 bedrooms
- 1.75 bathrooms
- fully fenced front and back yards
- designated office space
- massive 850 square foot garage
- alley access and side driveway
