Quaint, peaceful are words that describe this home and its surrounding mature landscape. This home offers hardwood floors, 3 sizable bedrooms, 2 baths in the main house. The large front window looks out on the wonderful mature landscape and quiet neighborhood. The master bedroom with bath offers view of the shaded backyard with access to the patio and pool and spa. You'll enjoy the cute kitchen with a view to the pool, there are lots of cupboards in this kitchen. Your life is simplified with laundry located right off the kitchen. In the backyard you will find the pool and heated spa. There is a pool house for entertaining, with its own full bath. This space is waiting for your imagination, maybe extra guest area, an art studio there are so many possibilities. Visit this homes website www.1068Sandalwood.com Then call us for your personal tour.
