True resort-style living in this golf course home, with stunning north west mountain, lake and golf course views, located in the guard-gated, active senior Trilogy at La Quinta community. The owners installed a fabulous outdoor living space in 2015; front and back seating areas with upscale pavers, a free form pebble texture pool with a rock waterfall, spa with a cascading spillway into the pool and tanning ledge, an outdoor kitchen that allows the chef to be a part of the fun, covered dining and lounging areas allow for easy viewing of the pool and golf course, with a natural green privacy hedge, perfect for all weather gatherings. For those cooler winter starlight evenings, the gas firepit is a perfect gathering place for creating happy memories. Back inside this Monarch plan home, neutral colors complement any palette. Large diagonal tile floors in the main living areas and wet spaces, with comfy trackless carpeting in the bedrooms and den (converted third bedroom). Rich wood cabinetry, slab granite counters, ceiling fans with lights in all main living areas and bedrooms, and plantation shutters throughout the home help create a warm, inviting atmosphere. A newer stainless steel appliance package completes this light, bright airy executive home. Being sold furnished (per Seller's inventory) so you can move right in and start living the life!
